Which photos should I enter in the SGS Student Photo Contest?

When selecting your photos, here are some points to consider.

**Sense of place**
Since this is Global Studies, does the photo convey the people, culture, landscape, or traditions of where it was taken?

**Impact and story telling**
- Is the photo captivating?
- Does the photo evoke any emotions?
- What does the photo communicate? Does it tell you a compelling story?

**Creativity and originality**
- Does the photo display a unique angle?
- Does the photo exhibit a fresh point of view?
- Does the photo capture a moment in time that can never be recreated?

**Composition**
- Are the visual elements arranged and spaced in an impactful way?
- Is the photo framed in a way that makes it more compelling?
- Does the photo have focal point, structure, and balance?

**Technique**
- Is the photo of high quality?
- Is the photo focused correctly, well lit, and color balanced?

**Adherence to theme**
- Does the photo fulfill the category it’s entered in?
